Dot,  
I am on track to have the documents out for public review starting tomorrow (9/11/19) on the City's website and notification will be sent via our MailChimp account, and advertised via Facebook and Twitter. Today I will be making a few corrections in the 4/19/18 demonstration and finishing the 7/11/18 demonstration. I will address any public comments as they are received.

Dan

Dan, Please give me a heads up when you public notice the subject demonstration. Thanks

Are you still on track for mid-October submittal of final demonstration?
